Price Switzerland	24,90 CHF

Content in Three Sentences

Volume 01 tells a traditional episode from Carl Stülpner's early childhood and places the child before the later legend. The story leads into the world of Scharfenstein and the Ore Mountains at the end of the Seven Years' War. The digital timeline complements the book with historical contexts, places and sources.

The Concept

Book: tells the story in an age-appropriate way.

Timeline: opens the historical layer behind the story.

Evidence: ● historical · ○ traditional · ✦ artistic.

Series: planned as 24 children's volumes; this fact sheet refers exclusively to Volume 01.

Terms of Use

This document may be used for editorial reporting about Carl & Strups and Volume 01 and may be shared internally within an editorial team. Source references and labels identifying material as historical, traditional or artistically shaped must not be altered in a way that changes the stated evidence status.
